Good morning,

At the antibiotic meeting we had on 1/31/2016, we spoke to you (Geo Logic Corporation/Agrosource Inc.) regarding the evolving policy on antibiotic new use applications, and identified certain needs that we believe will help us move forward with these types of applications. Attached please find a letter further explaining these needs. If you have any questions, please contact me at the number below.

Thank you,

Hope A. Johnson
